DO YOU WANT TO RETURN AN ITEM YOU ORDERED?

Follow our instructions, it's easy!

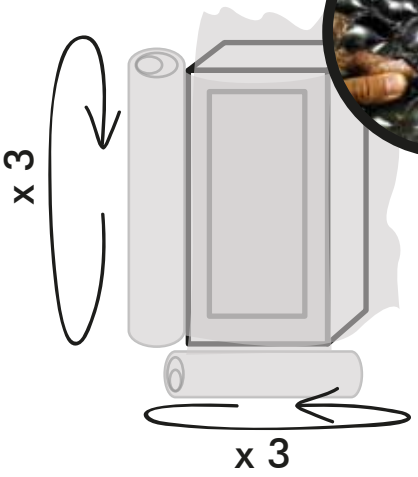

1

Remove the door handle, wrap it separately and fasten it with paper-or transparent adhesive tape inside the cooler. Block the internal shelves with paper-or transparent adhesive tape.
The door handle and the internal shelves must be securely attached inside the cooler to avoid damages during the shipment.

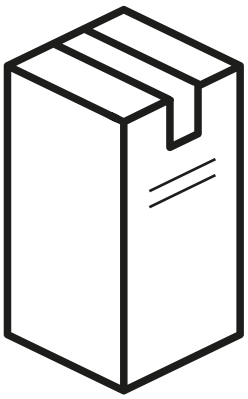

Example bubble wrap

2

"Wrap the wine cooler 3 times horizontally and 3 times vertically with bubble wrap to keep it protected during the shipment.
We recommend using bubble wrap with big bubbles. Make sure that all the corners of the wine cooler are protected.

3

IMPORTANT: please write on the cardboard
- “FRAGILE GLASS"" on the position where the glass is
- “THIS END UP” to indicate the standing position of the cardboard
- “FRAGILE HANDLE WITH CARE”

We are NOT responsible for any damage to the product during the shipment due to missing original packaging. Therefore make sure that your product will be shipped well protected.
